

AT and ME

Fiona Given

Director

Assistive Technology Australia

First Power Wheelchair

Mind the Gap!

- Never had a wheelchair that has been right.
- Significant time has elapsed between the time of scripting and delivery.

My Current Power Wheelchair

- Sales representative said he could meet my criteria.
- On the day of delivery it was big rush!
- Could not fit on an aeroplane smaller than a 747!

Joystick and Glove Box Armrests

DIY Drink Bottle Holder

Previous Manual Wheelchair Disaster!

Wheelchair Companies Open Business Hours Only!

- What happens when I breakdown on the weekend?

Moving Parts Become Loose!

- Market for Assistive Technology Assistants to do minor repairs and adjustments
